OF BRESCIA

MARIE SKŁODOWSKA CURIE INDIVIDUAL FELLOWSHIPS AT UNIVERSITY OF BRESCIA

If you are an experienced researcher from anywhere in the world and you are in possession of a doctoral degree or you have at least four years of full-time equivalent research experience, then you might apply for a Marie Skłodowska Curie Individual Fellowship at University of Brescia.

WHO WE ARE

The University of Brescia is a medium-size university, in a city of art and culture (recognized by UNESCO) with an excellent quality of life, in one of the most important industrial and productive regions in Italy.

*It offers quality programs and competitive research in areas related to **Health, Law, Engineering and Economics**.*

The University's aim is to continuously improve the quality of life of people and the environment of Brescia, Italy, and the world at large, by generating integrated cultural and technical knowledge and by providing training and tools to address the challenges of our times.

*The University of Brescia is engaged in various collaborative networks, both nationally and internationally, and it provides **high quality services** to its students and faculty: counselling services, tutoring, computer and multimedia rooms, wireless zones, libraries, on-line services, laboratories and centers of advanced scientific research, accommodation services, dining halls, cultural activities and sports facilities, Italian language courses for foreign students and fellows.*
